Police departments across the Nation have been doing "safety checks" for a long time. Many times they proved not to be necessary but they have saved many lives because of it.
Now they are drafting orders for "Covid wellness checks".

These Checks will not only be performed by the police, healthcare personnel, first responders, and LATER bye ordinary People hired specifically for these "checks".

We already have hotlines where people can rat out others, now neighbors with a beef can send wellness checks anonymously to your house.
Without a warrant, with no probable cause, with no consideration for your rights or the Constitution.

You Will be required to give these people not only access to your home but access to your body and your family members bodies whenever they want, for "safety".

Imagine the level of violation this is. Imagine the type of person who would sign up for this job and what their motives are. It will make the TSA look like choir practice.
Protect yourself and your Rights in every way possible. Vote!

2/ Netflix reportedly holds the right to keep renewing these shows, irrespective of Disney's preferences. Disney may be entering Netflix's territory with Disney+, but that didn't drive the cancellations. Netflix was making a rationale decision based on quality, cost, viewership

You do not deserve to wear that robe.

General Flynn, an innocent man willing to destroy every minute of his life, everything he has achieved, to save his son. When both of them are innocent and attacked by others.

You, allow your sons to harm others. And in your own corruption you continue that corruption to cover theirs. No matter how many lives are destroyed. The only thing you seem to be competent in doing is destroying innocent lives.

Mr. (judge🤧) Sullivan, I had hoped all along that you would do the right thing, that you would realize that what you're trying to hide is known by people on both sides. I had hoped in knowing that you would consider the situation moot and do the right thing.

You did not. Instead you turned to your friends for more political favors and cover. So maybe exposing some of those crimes will prompt you to recuse yourself. It's obvious you can't be relied upon to do your job impartially and dismiss all
